In Pictures: Inman Connect New York, Day 2

Inman Connect New York is a week-long event bringing together more than 4,000 top-producing agents and brokers, CEOs of leading real estate franchises, MLS and association leaders, tech entrepreneurs and marketing executives, to network, make deals and explore the newest technology. It’s where the industry comes to learn about, embrace and leverage the change that surrounds real estate.

This year’s theme is **Embrace. Focus. Execute.** The program has been carefully curated to help attendees navigate a turning market and reach new heights in 2019.
