Indie Broker Summit NY 18: Live problem solving III

One of the many beneficial sessions at Inman Connect New York is “Live problem solving” at Indie Broker Summit, where the pros discuss audience issues and answer tech queries live onstage. Watch Katie Clancy (CEO, William Raveis RE), Debbie Baxter (broker/owner, Coppermine Realty) and John Altic (president/CEO, JLA Realty) lead the third indie broker live problem-solving session and answer questions like: How can I survive as a boutique agency in a town where a big agency has a majority of the listings? How can I compete with the flat-fee brokerage models around me? Listen in to hear the answers to these and more. Watch more sessions from ICNY 18 here. Email Inman...
