Reposted with permission — show notes and credits available here.

Leigh Thomas Brown brings on the man she calls her most special guest of all time for her second episode of this (crazy) podcast series.

Who is it? Her dad, Darrell Thomas, who reminisces on double-digit mortgage interest rates and some of the nuttiest times he remembers in real estate.

Join her and her dad as they delve into some of the craziest…stories you'll ever hear from your colleagues.

(You know you want to share your own craziness! Email Leigh for a chance to appear on the podcast.)
