Radical Galaxy offers high-end virtual reality home tours

Have suggestions for products that you'd like to see reviewed by our real estate technology expert? Email Craig Rowe. Radical Galaxy is a virtual reality (VR) tour and 3-D visualization studio for real estate agents, developers and the hospitality industry. Platforms: Browser; Samsung Gear, Oculus Rift Ideal for: Luxury agents working with custom builders; high-rise sales agents; new construction sales teams Top selling points Incredible detail Hand-rendered environments Blending of exterior/interior One-on-one service Top concerns Budgets. This is not a 3-D tour provider for mid-market homes. What you should know Four of the six employees at Radical Galaxy come from the architecture and interior design industries. This in-depth understanding of how the structural interacts with the aesthetic ensures that a viewer is treated to a virtual experience unlike anything else available in the market. The difference is that a home is captured from its root beg...
