What happened when I Connected: The photo walk

Last week, in the early morning hours during Inman Connect New York, many attendees joined our Inman Connect Ambassadors to explore midtown Manhattan and capture some memorable moments before heading to the day's speakers and sessions.

This was just one of several activities the Ambassador team organized during Connect. We had everything from morning yoga and coffee meet-ups to first-timer cocktails and even 'Don't Eat Alone' lunch gatherings. These were all great ways for attendees to get to know each other, and we're thrilled to share some of their beautiful photography here.

If you're headed to Inman Connect San Francisco, be sure to look out for more activities organized by our Ambassadors as the time approaches. It's a great way to explore the areas around the conference, and also a great way to make new friends!
