

# How to build a neighborhood website that makes you money

[Save My Spot](#)

Are you serious about building a sustainable real estate business that grows year after year? If so, here's how...

Providing an amazing digital resource that keeps homeowners up-to-date with events and businesses in their neighborhood will generate relationships and referral-based business for you.

## **This webinar will cover:**

- The step-by-step blueprint for how you can generate more clients and referrals with a hyper-local community website
- All the features that make up the perfect website for your geographic farm
- How to use the website to generate new clients
- Live strategy session and Q&A

**[How to Build a Neighborhood Website That Makes You MONEY!](#)**

**Thursday, August 24**

10 AM Pacific/1 PM Eastern
