

ICNY 18: Ryan Schneider's first public remarks as CEO of Realogy

In his first speaking engagement as the new Realogy boss, former Capital One exec Ryan Schneider shares his insights on how technology and data can tell us what consumers truly want and become the foundation for business growth. "We are going to be relentlessly focused on agents," Schneider told the audience at Inman Connect New York. "That's one difference that you may feel going forward." Email Inman...
