3 real estate tech updates in 3 minutes — what you missed this month

Have suggestions for products that you'd like to see reviewed by our real estate technology expert? Email Craig Rowe. We are now officially in the third quarter of 2016. Yikes. How are sales looking? Goals being reached? Could some of the cool technology I covered this month help you get the year back on track? Here's your final glance at what happened in tech this month. Inman Innovator finalist launches updates Agentdesks earned a spot as an Inman Innovator Finalist in the Most Innovative Real Estate Company category, and the timing was perfect. This slick, mobile-first solution just launched a slew of updates, a web version being one of them. Agentdesks Agentdesks is best classified as a CRM (customer relationship management) system, but conceptually it's not as e...
