Ambassadors announced for Inman Connect Las Vegas 2019

The Inman community is made up of the best and brightest in real estate. And connecting this diverse, enthusiastic group of real estate professionals is an important part of our mission. Together we change the industry for the better, lift one another up, and improve the consumer's homebuying and selling experience.

That's a big part of our agenda at **Connect**, our annual gathering in which our community comes together for a weeklong celebration of innovation, hard work, success, change and progress. This time around in Las Vegas we're going to be focusing on the pressures of change, of customers and of technology. The Inman Ambassadors are always working hard to make sure all attendees have the best possible experience.

Inman Ambassadors are members of the Inman community who volunteer at each event to make introductions, help new attendees find their way and bring the spirit of connection alive. They connect the dots between the online and the offline, facilitate learning, and are a key part of making all the networking opportunities so successful.

For Inman Connect Las Vegas 2019, we've invited new members with fresh perspectives, energy and ideas to the group. They join some of our most steadfast supporters and longtime Ambassadors.

Inman Connect Las Vegas takes place July 22 – 26, 2019 at the Aria Resort.
