

Daily Dispatch: What agents should learn from COVID-19

Every day, Inman founder Brad Inman texts and talks with many of the most important people in the real estate industry. Now, in these unprecedented times, he's making some of those conversations public to share with you, the Inman community. Welcome to Brad Inman's Daily Dispatch.

In this Daily Dispatch, Brad is joined by **Kevin Woody, a real estate brokerage consultant based out of Cary, North Carolina**. An Inman contributor, Kevin wrote his [latest essay](#) to focus on five key takeaways from COVID-19 that every agent can use to continue growing personally and professionally. Brad probes him on these takeaways in this very real discussion from the trenches.
