Inman announces another nine Startup Alley participants for ICNY18

Inman announced another nine companies that will be exhibiting in Startup Alley at Inman Connect New York, Jan. 22-26, 2018.

Inman Connect is a week-long event bringing together more than 4,000 top-producing agents and brokers, CEO's of leading real estate franchises, MLS and association leaders, tech entrepreneurs and marketing executives, discover the latest innovations and business solutions in real estate.

Startup Alley is a sponsorship opportunity available to the newest companies entering the real estate tech scene. These companies are breaking new ground in real estate technology and will be demonstrating cutting-edge tech to Inman Connect attendees.

"Startup Alley sponsors consistently push the envelope on innovation," said Brad Inman, Publisher. "I always look forward to the new angles and the sheer drive they bring to Connect."

For more information on how to launch your startup at Inman Connect or other sponsorship and/or exhibitor opportunities, please contact sales@inman.com.

Companies featured in Startup Alley will include:
