Inman Announces the First Round of Sponsors for ICSF18

Inman Group® announced 34 companies that will be sponsoring Inman Connect in San Francisco, July 17 – 20, 2018.

With new imperatives and a changing technological landscape, some 4,000 growth-minded real estate professionals will convene in San Francisco for education and engagement, and to elevate the industry as a whole. The sponsors and exhibitors that join them offer product demos, learning labs and solutions that can help them achieve their goals.

The lineup of speakers and workshops at this year's event affirm the industry's overall focus on providing superior value and improving the experience — with keynotes by thought leaders from both in and outside real estate.

"Everyone who attends Connect is here to learn and to make business happen," said Brad Inman, Publisher. "Our sponsors rise to the occasion, with innovative and thoughtful ways to help agents better serve their clients."

For more information on sponsorship and/or exhibitor opportunities at Inman Connect, please contact sales@inman.com.
