Mo’ Mentions Mo’ Problems – Harnessing the Conversation on Social Media

Save My Spot

The social media landscape is constantly changing with new platforms, trends, influencers … *and even mo’ mentions.* Learn the keys to harnessing that conversation to your advantage, whether you’re a large brand or a local real estate agent.

This webinar will show you how agents and brokerages alike can improve their social presence with the right combination of:

- Real-time reputation management
- Social listening
- Customer service
- Key team members
- Marketing feedback
